

Parkvale Bank... Don't You Think It's Time We Meet?

60 + Years of Service

Headquartered in Western Pennsylvania, Parkvale Bank operates **47 community offices throughout southwestern Pennsylvania, West Virginia and Ohio**, with 3 branch offices surrounding BBW Chamber: Brentwood Towne Square, Caste Village and Pleasant Hills. With a history of more than 60 years of service to the community, Parkvale is a one-stop financial center for traditional personal and business banking needs. And with a **wide array of nontraditional products for investments and insurance products**, Parkvale is sure to make your life easier.

Giving Back

Parkvale is not only a bank known for reliable banking services and financial guidance, but also for a number of charity affiliations. Each Parkvale office belongs to one of six teams. The employees of each team select a particular charitable organization to support through financial contributions and volunteerism. Charities supported include Welcome Home (emergency housing), Family Services of Western Pennsylvania (FSWP), the Salvation Army, HEARTH (transitional housing for women with children), the Allegheny County Special Olympics, and Children and Youth Services of Fayette County. Each team holds an annual fundraiser for their charity, which consists of community events like car shows, gourmet food and wine samplings, bake sales, flea markets, summer picnics and sports tournaments. Each branch usually sells chocolate bars or candy at teller windows to support their charity, and customers are encouraged to submit items for clothing and food drives to benefit community shelters and transitional housing. Parkvale Bank is proud of the dedication and enthusiasm exhibited by all of its team members who strive to make a real impact in their own neighborhoods.

Enhanced Website and Online Banking

Parkvale recently revamped the look of its Web site, Parkvale.com, which is another valuable tool for customers to access their banking information. Account activity can be viewed and monitored 24-hours a day from anywhere in the world. Transfer funds between accounts, view and print the front and back of cleared checks, and conveniently re-order checks, submit stop payment requests, reconcile your account or change address information are just a few advantages of online banking services. Additionally, customers can "go green" by enrolling in free online bill-payment and e-statement programs.

Dedicated Professionals

In all of your contacts with Parkvale, they hope that your experience is pleasant, that you are greeted with a smile, addressed by your name and thanked for your business. The employees are dedicated professionals who are there to not only provide friendly service and assistance to the customer, but also to support and give back to the community they are proud to serve.
